What A Find!! This unbelievable 4400+ sq. ft. home is ready to move into. Pristinely nestled on 8.4 acres this home offers the ultimate in privacy. Bounded on two sides by the National Forest, wildlife roam freely and add to the ambiance of the property. Features of the wonderful place include a main level master suite, beautiful Great Room with a stone fireplace, awesome kitchen and dining area 2 additional bedrooms and full bath, and a wonderful screened porch absolutely perfect for morning coffee and unbelievable sunrises. The lower level offers a large den, second kitchen, office, hobby room and a flex room with a closet. The property also has a fantastic storage / workshop building great for the craftsman or storage. Last but not least, there is an absolutely charming cottage with a flowing creek behind it. It's the perfect place for guest or an Airbnb. Truly too much to mention and a treat to see.
